Abstract. Abstract should be typed in a maximum of 300 words with Arial font, 10pt in size and single line spacing. Abstract should be typed in a maximum of 300 words with Arial font, 10pt in size and single line spacing. Abstract should be typed in a maximum of 300 words with Arial font, 10pt in size and single line spacing. Abstract should be typed in a maximum of 300 words with Arial font, 10pt in size and single line spacing. Abstract should be typed in a maximum of 300 words with Arial font, 10pt in size and single line spacing. Abstract should be typed in a maximum of 300 words with Arial font, 10pt in size and single line spacing. Abstract should be typed in a maximum of 300 words with Arial font, 10pt in size and single line spacing.

1. INTRODUCTION

The contents of the article are typed in Arial 11pt font and 1.5 spacing. The contents of the article are typed in Arial 11pt font and 1.5 spacing. The contents of the article are typed in Arial 11pt font and 1.5 spacing. The contents of the article are typed in Arial 11pt font and 1.5 spacing. The contents of the article are typed in Arial 11pt font and 1.5 spacing. The contents of the article are typed in Arial 11pt font and 1.5 spacing.

2. METHODS

2.1. Sub Section 1

2.2. Sub Section 2

3. RESULT AND DISCUSSION

Results and discussions should be included in one section. Each result must be followed by a discussion. This section can be divided into subsections with brief, informative headings. **Reference writing follows APA 6th style**.

Figures and tables should be serialized and positioned (centered on the page width) close to where they are placed in the text, not grouped together at the end. Each

number and table must have a short title (maximum 15 words).

3.1. Table (Example)

Example of the Table Example of the Table Example of the Table Example of the Table Example of the Table Example of the Table Example of the Table Example of the Table Example of the Table.

Table 1. Materials List

No.	Materials	Amount
1	Tris-EDTA	
2	ddH$_2$O	
3	CTAB	
4	etc.	

Font pada tabel: Arial 11pt atau 10pt

3.2. Figure (Example)

Example of the Figure Example of the Figure Example of the Figure Example of the Figure Example of the Figure Example of the Figure Example of the Figure Example of the Figure.
